

## WHO WE ARE

We are an innovation-first ecosystem advancing the transition to a clean energy economy.

We provide signature start-up programs, an expansive ecosystem, and a strategic presence to unleash the energy revolution across Ohio, Appalachia, and the Midwest.

## WE BELIEVE

BRITE believes anyone, anywhere can be a catalyst for change, and that empowering energy tech startups will create opportunity, good jobs and a resilient economy.

## TECH FOCUS

Grid Resiliency, Mobility, Energy Storage
